Plaid Cymru's Felinheli Branch has recently selected Councillor **Siân Gwenllian** to stand as the Plaid candidate at Gwynedd Council's Local Election on 3 May 2012.

Siân has represented the village as Gwynedd Councillor since 2008 and during the past two years, she has led the Council's Finance Portfolio.

**Alun Ffred Jones**, Plaid Cymru's Arfon Assembly Member said: "I look forward to continuing to work with Siân for the benefit of Felinheli's residents. She is experienced in working as part of a team on a local level on behalf of the community and has the ability to lead wisely within the county council. People like Siân will be instrumental within Gwynedd Council during this next difficult economic period. I wish her all the best in the local Election."

**Hywel Williams**, Plaid Cymru's Arfon Member of Parliament said: "Siân is a very able Councillor who has won the high regard of the people of Y Felinheli, and her commitment to the area is plain to see. As your Member of Parliament I have benefited greatly from Siân's advice and knowledge on local and national matters. I am very glad to recommend her to you as Plaid Cymru's candidate for Y Felinheli."

**Margaret Tuzuner, Felinheli's Plaid Branch Chair said:** "During the last four years, Siân has worked tremendously hard on behalf of our residents and community. She succeeded in gaining funds for a number of community projects. Some of these include upgrading the Neuadd Goffa, creating Felin Sgwrsio, dog foul and litter campaigns, creating a website for the village and upgrading Lôn Las and Cerrig yr Afon."

Siân Gwenllian said: "It has been a great honour to represent the area during the past four years. I would be delighted to be re-elected on 3 of May as I have so much more I want to achieve. I am keen to ensure more affordable homes for young people in the village and create a new car park. I would also like to see some renovations done to the Glan y Môr area. There are many projects and ideas in the pipeline to ensure that Felinheli continues to be a happy and safe environment to live and work."

She concluded: "Thank you to everyone for their continued support during the past four years and I hope that the local residents will again support me by registering a vote for me in May!" Siân Gwenllian said.

Siân Gwenllian's Election campaign will be launched with a Gŵyl Ddewi Quiz on Sunday, 4 March at 7.30pm at the Fic, Felinheli.
