Group cleans up in village

LOCAL group FelinDaclus, that campaigns on rubbish and dog fouling matters in the village, carried out a clean up of Felinheli.

"We cleared a small area that was strewn with old cans, broken bottles and general rubbish," said county councillor Sian Gwenllian.

"It is near the bus stop near St Mary's Church at the Caernarfon end of the village. It's obvious that people have been chucking rubbish over the wall onto private property which we have now cleared. The smell here was disgusting and we even found an old mouldy nappie amongst the rotting rubbish.

"I have asked Gwynedd Council for

a bin to be placed near the bus stop as there aren't any bins in this part of the village.

"In the meantime, I hope that people will take their rubbish home. I'm grateful to Councillors Daniel Williams and Carolyn Pritchard for their help in clearing the rubbish."
