## SOS

The cash-strapped Cylch Meithrin Y Felinheli (Nursery Group) launched their money raising campaign on St David's Day with a sponsored cycle ride and Quiz.

“Unfortunately, finance is tight and we are finding it difficult to make ends meet,” said Siwsan Jones on behalf of the Committee.

“So, the Committee is sending out an SOS to all Felinheli residents for support to save the Cylch – we are asking everyone to support the money-raising activities or to give financial donations/goods for raffle/promises etc.

“Around 50 children, parents, grandparents and friends took part in a sponsored cycle ride along the Lon Las on March 1<sup>st</sup> and a number of teams competed at a Quiz in the Vic in the evening – on the day we launched our campaign”.

Local County Councillor Sian Gwenllian is supporting the campaign.

“I have discussed the problems that have arisen in the Cylch with the officials and I am confident that they have put together a well-organised money-raising campaign and a plan of action that will secure the future of the Cylch. I'm sure villagers will be eager to respond to this SOS.”

Other activities planned include:

- Friday April 3<sup>rd</sup> : End of term Disco for primary aged children in the Memorial Hall
- Friday June 12<sup>th</sup> : Auction of promises at the Seiont Manor
