Dear Clerk,

As part of the Phase 1 Gwynedd Challenge Survey, held between September and November 2015, Gwynedd Council held a series of sessions and public meetings with the aim of:

- explaining the scale of the financial situation we are encountering
- establish which local services or resources people appreciate the most
- starting to identify different ways of delivering services with the view of avoiding further cuts where possible

The key findings resulting from the Phase 1 Gwynedd Challenge can be found at [www.gwynedd.gov.uk/HerGwynedd](http://www.gwynedd.gov.uk/HerGwynedd).

We are currently preparing for Phase 2 of the Gwynedd Challenge, but prior to this we are to meet with Community, Town and City Councils across the county to:

- share information about the key findings resulting from Phase 1
- provide a summary on the financial situation to date
- discuss possible alternative service delivery options
- explain what support is available for communities who wish to develop proposals delivering specific services in their own communities.

We have arranged a series of meetings across Gwynedd, and would appreciate if you could contact and encourage members of your community or town council to attend and be part of the discussion. The table below lists the dates, times and locations of the meetings.
