| <b>10.1</b> | There is very little funding available for the County's Lôn Las network. Essential maintenance work required to ensure the safe use of the Lôn Las through Y Felinheli may mean that no funding would be available for the works, and as a result the path could be closed. This is a concerning situation which requires the support of the County Councillors to prevent this from happening. The Clerk is to inform the County Councillors of this. | <b>CLERK</b>      |
